FOR IMMEDIATE RELEASE

N. EL CAMINO REAL STREET IMPROVEMENTS – CONSTRUCTION UPDATE

June 22, 2017...San Clemente, California... The construction of the improvements on N. El Camino Real between Avenida Estacion and Camino Capistrano is well under way with a target completion date of mid July 2017.

To facilitate the completion of the paving on North El Camino Real, the Contractor, GMC, will need to close the segment of roadway between Camino San Capistrano and Avenida Estacion during two night closures. The closures will occur on:

- Monday 8:30 p.m., June 26, 2017 to Tuesday 5:00 a.m. June 27, 2017, and
- Tuesday 8:30 p.m., June 27, 2017 to Wednesday 5:00 a.m. June 28, 2017

The closures will have detours as shown on the plan provided on the back of this press release.

Access to homes in the communities adjacent to N. El Camino Real will be maintained at all times.

Following the paving operations, the street will be re-opened. Please plan alternative routes during this time period and adhere to the detour routes.

The City greatly appreciates your patience and cooperation as it betters your street network. If you have any questions on the project, please contact Tom Frank, Transportation Engineering Manager at 949-361-6127.
