2022 Honorees: Fred Swegles & Don Brown

Each year, the City of San Clemente seeks to honor a community member whose selfless efforts have made the City of San Clemente a more productive and enjoyable place to live, work and play. The Wall of Recognition honorees will be recognized at future City Council meetings, and a plaque describing their contributions to the City of San Clemente will be added to the Wall of Recognition located at the San Clemente Community Center at 100 N. Calle Seville.
